DECENTRALISATION.

.....

1) A draft to the principal Heads of Departments calling for proposals in this respect has already been submitted. As the first measure of decentralisation, the following list of additional powers that may be delegated to Heads of Departments from among subjects now reserved for Government sanction, is submitted for consideration. If it is considered undesirable to delegate all the powers of a general nature included in the list to all Heads of Departments they may ~~be~~, to start with, be delegated, at least to the following principal Heads of Departments who generally would be officers of considerable administrative training and can therefore be well trusted to exercise the powers discretely and with circumspection. Most of these items are taken out from lists of routine cases which can either be disposed of by Secretaries on their own responsibility and of subjects which are generally being disposed of as a matter of course on the lines recommended by the Heads of Departments.

(1) Chief Court

(2) Revenue Commissioner

(3) Excise Commissioner

(4) Inspector-General of Police

(5) Inspector-General of Registration

(6) Inspector-General of Education

(7) Conservator of Forests

(8) Chief Engineer

(10) Director of Industries and Commerce

Items 1, 3, 4, 7, 12, 13, 14, 16, 17, 18, 19, 21, 25 may, it would seem, be delegated to ~~all~~ other Heads of ~~Major~~ Departments also, as distinct from Heads of Offices corresponding direct with Govt.

It is not clear whether the proposed delegation is for all heads of departments or for only those (ten) mentioned in the notes. If it is intended to delegate to all, the limits to be prescribed in items 12, 13, 17, 21 is a matter for consideration.

The insertion of the words 'in the case of ~~heads~~ major heads of departments only' is necessary under item 29 (item 20 of the draft

SRI 31.5. I-6-72

A proviso has been added in the draft as regards powers which may be extended to other heads of depts.

To the list of Heads of depts in para 1 of the Order, it seems that the following may also be added.

1 Comptroller -
2 Chief Electrical Engr
3 Director of Agriculture

I agree. These may be added to the list of Heads of Depts. As regards the University either the VC or the Registrar Council will have to be added.

Please prepare a fair draft. What is intended is not clear in regard to some items. The draft may be sent to the chief secy to see if it is allright.

Submitted to His Highness.

In Government order No.Fl.1305-5/G.F.70-18-1 dated 3rd September 1918 certain financial and other powers were delegated to selected heads of departments. This has not appreciably decrease the volume of work of the Secretariat and an examination of the routine work of the Secretariat has disclosed that there are still many items of work which may be conveniently transferred to heads of departments. The transfer of these items will minimise work to a considerable extent and at the same time hasten the despatch of public business. The draft order put up shows the items of work thus proposed to be transferred and the heads of departments to whom they are to be transferred.

The Members of Council are agreeable to the proposal and to the issue of the draft order. I solicit His Highness' gracious approval to it.

The items in the list are considered one by one and submitted for orders with suggestions deemed necessary.

POWERS THAT MAY BE DELEGATED TO HEADS OF DEPARTMENTS.	ASSISTANT SECRETARY'S NOTE.	Final Secy's note
1. Power to sanction arrear claims of all officers appointed by them under Article 10 of the Mysore Account Code Vol.I. (This power is now only delegated only to the Revenue Commissioner).	May be allowed.	I do not think this power can be delegated. There should be some uniformity in the rule of powers allowed for similar kinds of appointments in the Diffl departments; otherwise much inconvenience is likely to be caused. In the case of appointments with pension rights, variations should not be encouraged.
2. Power to alter scales of appointments under Art.82 & 83 of the Mysore Account Code Vol.I, provided there is no extra cost.	Power also to be limited to appointments which are within the powers of appointments of the Heads of Departments.	
3. Power to grant contract contingent charges under Art. 123 of the Mysore Account Code Vol.I, subject to Budget provision.	May be allowed.	I think we have very often granted powers of this kind and an extension of the arrangement was considered some time back and given. Calling for govt intervention in the case of Rent in the chief item coming under this rule. Two conditions may be imposed. (1) Limit it to say Rs 10 p.m. each item - (2) Sanction not to exceed 2 years without Govt sanction.
4. Power to purchase or sanction purchase of Stationery articles locally up to a limit of Rs.20/- under Art.168 (h) of the Mysore Account Code, Vol.I.	-do-	I agree. Of course within budget grant.
5. Power to sanction recurring contingent charges under Art.168 (q) of the Mysore Account Code, Vol. I, subject to Budget provision.	Provided the annual amount of such charges do not exceed Rs.100.	This power had better not be delegated.
6. Power to sanction advances for the purchase of Motor cars and motor cycles in strict compliance with the Mysore Account Code and Standing Orders.	This has been stopped now. May be considered when the grant of advances is resumed.	I agree. Of course within budget S.G.
7. Power to purchase clocks of approved patterns.	Within Rs.25 limit.	I agree.
12. Power to sanction the acceptance of rewards offered by private persons or by the public.	In the case of non-gazetted officers only.	I agree.
35. Power to sanction the acceptance of honorariam by the Subordinate Officers for work in Cooperative Societies.	-do-	I agree.

	Assistant Secretary's note.	Finl: Secy's note.
14. Power to confirm probationers of non-gazetted rank after the period of probation provided their service is approved.	In vacancies in regularly sanctioned scales of establishment and when such appointment is within powers of appointment.	I agree ws
15. Sanction of Plague expenditure including supply of shed materials	Within limits to be prescribed.	I agree ws
16. Repair of tents supplied to officers.	With Rs. 25 limit.	I agree ws
17. Power to sanction the grant of charge allowances to Subordinate officials.	When such appointments are within powers of appointment and the grant of allowances is admissible under M.S.R.	I agree ws
18. Power to appoint or sanction the appointment of persons over 25 years of age, in exceptional cases.	~~——————~~	~~A bar for an annual return may be reqd.~~ ws
19. Alteration of the date of birth of non-gazetted officers.		
20. Purchase of topo-sheets and taluk maps for the use of officers.	May be allowed.	I agree - ws
21. Charges in connection with the publication of Hand books and leaflets, subject to budget provision.		
22. Power to sanction arrears of house rent in connection with Government Offices.		
23. Sanctioning journeys outside the State in connection with Government work.	May be allowed in the case of non-gazetted officers	I agree ws
24. Grant of advances to officers deputed for work outside the State.	Advance to be limited to travelling allowance for forward journey.	Prepayment is in general not desirable. If this power is given prepayment becomes the rule in all such cases.
25. Payment of advertisement charges for publishing notification etc, in the newspapers.	Charges to be with Rs. 25 limit.	I agree ws
26. Sanction to hot and cold weather charges.	Within an annual limit of Rs. 100.	I agree ~~——~~ The only charge is for supply of water in summer. No better to specify items & not leave the rule so indefinite. When powers are given to subordinate officers they should be specific - the descriptions in respect of specific heads of incidental charges, supply of water, conveniences in the hot weather & purchase of why mangoes & plantains in ~~mango~~ season.
27. Sanctions to remuneration to examiners in the Education Department and the Mysore Local Service and Pleaders' Board.	In accordance with certain fixed scales.	If this has reference to acceptance of remuneration then the power may be given. D.C. 10/5
28. ~~Constitution of Board of Examiners.~~	~~May be allowed.~~	

His request seems legitimate as remuneration at present is very inadequate.

Asstt: Secy's note

Final Secy's note

29. Appointments and promotions of all non-gazetted officers, except Amildars (atleast for the major and well organised departments). — When they are within powers of appointment.

for the major Depts. upto Rs 150 power of appointment upto Rs 150 may be given. Against S.D. posts may be given upto Rs

As regards proposed delegation to other Heads of Departments, it seems 12, 13, 17 and 21 may continue to be reserved to Government.

Maybe delegated to all Heads of Depts if necessary limits may be prescribed suitable

Govt's sanction may be presented on when the limits are proposed exceeded.
